LIBBY FLOOR LAMP-\$1,230.00

19"L x 19"D x 65"H

Texture is as important as color with this unusual floor lamp. Faux exotic reptilian leather makes a statement that is always in style. Now, with a nod back to the seventies, it is especially so in hot colors like this warm orange. Lamps are accented with acrylic mountings. To top it off is a white fabric drum shade.
