**JACKSON FLOOR**  
**LAMP-\$1,998.00**

23"L x 23"D x 68"H

From each direction the Jackson Floor Lamp silhouette reveals three stacked rounded forms: a cylinder, a disk, and an elongated tapered cone base that showcases angular composition and balance. It has a mid-century feel, but the antiqued aluminum finish offers a new take on the style. Its bold form commands attention making this a great fit for a modern living area. Topped with an off-white linen shade with off-white cotton lining. 3-way switch, 150 watt max.
