

STYLE # 30835

GREEK SIDE TABLE-\$589.00

16"L x 16"D x 25"H

Hand wrought iron legs with intricate turnings and curvature in this collection were all inspired by the arches, spires and other architectural details found in cathedrals and churches around the world. Our vendor pays special tribute to a church in Greece with its beautiful marble surface adding drama and functionality to these must have items.
