"SEASIDE BLISS"-\$3,898.00

60"L x 4.5"D x 40"H

Artist Tony Fey beautifully captures the sunny skies and serene atmosphere of the coast and translates it perfectly to canvas. Countless small pieces of paper come together to form a vast ocean swell in a mesmerizing fusion of whites and pastel blues that crash along a beige shoreline. This stunning piece of art is neatly framed within a box of clear acrylic, protecting the piece from all sides while allowing for full visibility.
