CHAVEZ CONSOLE
TABLE-\$1,820.00

51"L x 18"D x 30"H

With an oval, creamy marble top beautifully contrasted by its linear, blackened iron frame, the Chavez Console is just as much at home in a bistro as it is a modern farmhouse. Chaveza's versatile aesthetic comes from its classic black and white scheme and finishes. Place this console behind a sofa, in a living room or entryway for a sophisticated, yet unique touch.
