

STYLE # 32835
SQUARES FOUR DOOR
CABINET-\$2,450.00

79"L x 20"D x 34.5"H

Balance, form and functionality are all critical elements in the creation of this Sideboard. With four doors to allow ample storage, the real star of the Squares Sideboard are its exclusively designed raised panel doors. While the raised panel pattern may look random, it is in fact very intentional.
