

STYLE # 20CAPT
CAPTAIN CONSOLE
TABLE-\$2,156.00

48"L x 18"D x 32"H

Created with sea and sand and salt in mind, the Captain Console Table was inspired by travels to coastal paradises across the globe. Each piece is artisan crafted from sustainably harvested seagrass and topped with a strong slab of tempered glass. The intrinsic beauty of the natural material is allowed to take center stage, and flaws in the organic material are not only celebrated but considered an integral part of the design.
